Make Wonderful Memories at The Legacy

"Our wedding was so special and perfect because of you and the Legacy team. You knew exactly what I was thinking every single time, and I didn't have to worry at all! I can't say thank you enough.

It was so perfect in my eyes.

'It makes me so happy that Kris, me and my parents chose the perfect venue. Thank you from the bottom of our hearts."

--- *Kimberly and Kris*

"I still reminisce about the wedding day and how well you took care of us. It's a day my wife and I will forever cherish and love."

--- *Kodii and Diante*

"We did a ton of research on San Diego venues and this felt like we hit a total gem for the venue, price, and inclusions. The whole hotel is top of the line luxurious and beautiful and perfectly located in center of San Diego.

We had our wedding in the garden and used the Legacy Center which was one of a kind with the globe feature. The wedding food was *actually* so good which feels very rare for a wedding. What truly stood out was the whole staff. It's very clear the whole Legacy team shoots to be exceptional in their service. I have to give a shoutout specifically Jane, Catering Sales Manager, and Dee Dee, Banquets Manager.

We never felt like a just another wedding, and so intentionally cared for the entire time.

We 1000% picked Legacy as a huge part to how great they were off the bat and we made the right choice. To this day my husband and I still talk about how lucky we were to find Legacy!

--- *Julie Chris Li*
